PARAS RATHORE

Bareilly, Uttar Pradesh | parasrathore2852@gmail.com | +91 9520619776

SUMMARY

Motivated B.Tech Information Technology student with hands-on experience in MERN Stack development, web development, website hosting, and real-world software projects. Skilled in responsive web design, frontend-backend integration, bug fixing, database management, and deployment. Passionate about building efficient digital solutions and eager to apply technical and problem-solving skills in the IT industry.

PROFESSIONAL EXPERIENCE

Procorpia, Bisrakh, Uttar Pradesh **March 26 – April 26**

Web Developer Intern

- Developed and updated website pages using modern web technologies
- Created responsive user interfaces for better user experience on desktop.
- Worked on frontend and backend integration for website functionality.
- Managed domain and hosting settings for smooth website deployment

RESEARCH PROJECTS

Bug Bounty Platform

- Developed a Bug Bounty Platform for reporting and managing website security vulnerabilities.
- Designed responsive frontend pages and integrated backend functionalities.
- Implemented user authentication and secure bug report submission features.
- Worked on database management for storing user and vulnerability data securely.

ConversAI — RAG-Based Document AI Assistant

- Built a RAG-based AI assistant using React.js, Node.js, Express.js, and MongoDB for PDF-based Q&A.
- Used LangChain for document processing, text chunking, embeddings, and retrieval.
- Integrated a vector database and OpenRouter LLM for contextual answers from uploaded PDFs.
- Implemented chat history management with MongoDB and a responsive chat interface.

EDUCATION

- Bachelor of Technology (B.Tech) in Information Technology (IT) from AKTU University, 7.5/10 CGPA.
- Completed Senior Secondary Education (12th) from GPM College, Bareilly, 68%
- Completed High School from GPM College, Bareilly, 84%

TECHNICAL SKILLS

- MERN Stack: MongoDB, Express.js, React.js, Node.js
- Frontend: HTML, CSS, JavaScript, React.js
- Backend: Node.js, Express.js
- Database: MongoDB, MongoDB Atlas
- AI/GenAI: LangChain, RAG, Embeddings, OpenRouter
- Tools & Platforms: VS Code, Git & GitHub, Hostinger, Google Antigravity

ADDITIONAL INFORMATION

- Strong interest in Web Development.
- Experience in website deployment and project management.
